

The Third Sector - Charities and not-for-profit

Streets nationally acts for, and looks after, the accountancy and development needs of a diverse portfolio of charity, voluntary sector and not-for-profit clients.

Charities and not-for-profit organisations face similar challenges to profit motivated businesses. To succeed they have to be run and managed as viable organisations satisfying the needs of all of their stakeholders.

Our dedicated third sector and charities team has a thorough understanding of the sector, providing specialist advice on matters relating to the strategic development of organisations and challenges faced by the dynamic environment in which they operate.
